

Gbohou Indji Israel

Full-Stack Developer

Parma, Italy · github.com/IndjiWR · linkedin.com/in/indji-gbohou

Summary

Full-Stack developer with 4+ years of experience, specialised in both frontend and backend delivery of scalable enterprise solutions. I have contributed to corporate programs for banking-sector clients — new product work as well as evolutionary maintenance on long-lived services — with consolidated expertise in Java and Angular. Focused on code quality, maintainability, and operational efficiency, I work effectively inside Agile teams and dynamic, client-facing environments.

Key Skills

Languages	Java (8, 17+) · TypeScript · JavaScript · SQL · HTML5 / CSS3
Frameworks	Angular 18+ · Spring · Tailwind CSS · Angular Material
Architecture	RESTful APIs · Microservices · Nx Monorepo
Database	SQL Server
DevOps & Tooling	Git / GitHub / GitLab · IntelliJ IDEA · Visual Studio / VS Code
Practice	Agile / Scrum · Problem solving · Team collaboration · Client-facing delivery
AI-assisted dev	Claude Code · MCP · Vercel AI SDK · prompt-caching & tool-use patterns

Work Experience

Full-Stack Developer · BDX

May 2024 — Present · Parma, IT

- Developing a new corporate program on behalf of a major banking-sector client.
- Design and delivery of features across Frontend and Backend.
- Development, integration and optimisation of REST APIs with SQL Server persistence.
- Active participation in Agile ceremonies: daily stand-ups, sprint planning, retrospectives, backlog grooming.
- Contribution to continuous code-quality improvement and review practices.

Junior Backend Developer · Cedacri

February 2022 — April 2024 · Parma, IT

- Managed banking clients and evolutionary maintenance of long-lived services.
- Analysis, bug resolution, and refactoring across legacy codebases.
- First exposure to RESTful service design and SQL Server database management.
- Autonomous development of an internal corporate project in Angular — the catalyst for the move toward a Full-Stack profile.

Education

Computer Science · University of Parma

2018 — 2021 · Three years of coursework completed; degree not awarded
